

Red School of Music Internship Program

Who is Eligible?

Music Majors currently within a program and (Bachelor's or Master's) currently pursuing music related careers (either performance based, arts management, music business, education based, musical theater, etc.) or students pursuing studies related to these topics.

Internship Opportunities

- Professional development growth by studying and observing professional teachers working in real time at a music school
- Behind the scenes knowledge of music businesses and management
- Networking skills and opportunities with other professionals and teachers
- Observation of private lessons and group classes
- Question and answer opportunities
- Studying multiple teachers with multiple styles
- Studying teachers giving lessons on various instruments

Do the Interns have to be local?

Nope! Although easier, observations, opportunities and responsibilities can be virtual.

Internship Responsibilities

- Collaboration in performing/accompanying with teachers/students at the discretion and scheduling availabilities between interns and music schools
- Assisting with promotional materials online as needed
- Assisting with miscellaneous administrative tasks related to the music school as needed

How Long is the Internship For?

Typically 9-12 months, but can be negotiable based upon availability and needs
